

G MASS™

VS. THE COMPETITION

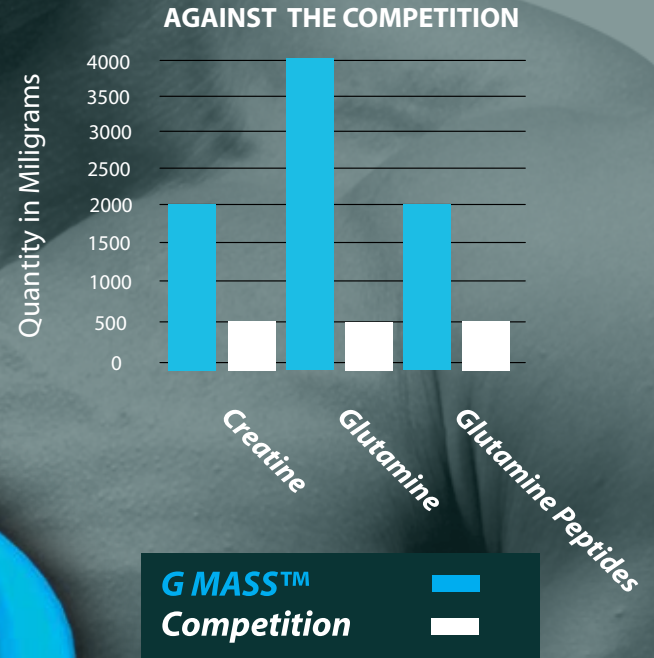

THE FACTS DON'T LIE

G MASS™ HAS NO COMPETITION

While many brands try to trick you by using larger serving sizes and inferior ingredients, we pride ourselves in using only the highest quality ingredients available and only the ingredients that your body needs to achieve all of your fitness goals.

- Supports greater lean muscle growth
- Packed with 50 grams of the highest quality time released protein available.
- Fortified with vitamins & minerals
- Contains more protein per serving than any other products on the market
- Enhanced with Creatine, Glutamine and Glutamine Peptides
- Tastes great and digests easy

** We use only protein that tops all PDCAAS levels (Protein Digestibility Corrected Amino Acid Score) and biological value tests. Delivering your body and muscles more protein than any other product in the market.
